### 3. Read the following, then answer the questions:

One of the hobbies that people like is to collect things such as stamps, books, old coins and ancient pictures. But the strangest collection I have ever seen belongs to a man who owns four hundred clocks. There are clocks in every room of his house. The living room is surrounded by shelves which had been filled with clocks. As there is not enough room for so many clocks, the man filled several trunks and stored them in the garage. His wife complains everyday about the work she has to do, for it is not easy to dust several hundred clocks. She also complains about the noise that each clock keeps its own time. She never knows exactly what time it is.
